November 14th, 1919.

A. F. Keene, Esq.,
106 Central Park West,
New York.

Dear Sir:-

In response to your note of November 13th I regret to advise that the copies of the Independence Day Medal were struck only to the number for which subscriptions were received up to August 1st. The edition was very small and limited to our members, and consequently this promises to be one of the rarest of our medals. If you would care to have me watch for a possible appearance of this medal at an auction sale, kindly advise me to that effect, and I will bid up to the publication price in your behalf.

Thank you for ordering one copy of the Cardinal Mercier medal, which is being sent you today. Since the notice for the Numismatist was prepared it has been possible to arrange for the sale of this medal for four dollars plus postage instead of five dollars, and I am therefore returning to you the ninety cents in stamps.

Very truly yours,

Secretary.

Dear Sir:

I have to acknowledge yours of
the 14th instant, for which I thank you.

I should be very glad if you
would be able to bid in the Independence
Day Medal at publication price for me.

Faithfully,

Dear Mr. Keene:

I have just received a reply regarding the Peace Medal issued at Erie, Pa., and, for your information, I am enclosing both the medal and Mr. King's letter. Will you kindly return them after you have examined them?

As you will see, this is hardly a noteworthy addition to the supply of medals commemorating peace.

Very respectfully yours,

(Enclosures)

Secretary.

Dear Sir:

Your letter of November 24th reached me this morning, and I beg that you will accept my humble apologies. I was under the impression that I had looked to make sure that your name was not already enrolled among those of our members before writing you, but I must have mistaken the intention for the act. We see so little of some of our members that blunders such as this are likely to occur occasionally; I trust, however, that you will not again be subject to a similar error.

Very respectfully yours,

Secretary

As I have been

very kind invitation to serve as a
member on the Foreign Medals Committee.

I should very much like to do so
but frankly I feel that for the
present year I can be of very little
service to the committee as my
work will keep me away from the
city over half of the time.

Dear Mr. Keene:

In view of your generous contribution toward our Indian Peace Medal Fund, you may be interested to learn that we were very successful in securing sufficient funds to enable us to purchase every one of the twenty medals which we especially desired.

Our Collection of Indian Peace Medals is now a truly remarkable gathering, the like of which exists nowhere else in the world. The Society, is therefore very appreciative of your loyal and generous assistance which has contributed so largely to the fortunate result as outlined above.

Please allow me to add my own personal thanks to those of the Society, and believe me,

Yours very gratefully,

President
